DEVELOPING A LEARNING COMMUNITY

URBAN NATURE – A MASSIVE OPEN ONLINE COURSE ON NATURE-BASED SOLUTIONS

JOIN AN ONLINE LEARNING COMMUNITY AND EXPLORE A COLLECTION OF INSPIRING AND EDUCATIONAL FILMS ABOUT THE OPPORTUNITIES, CHALLENGES AND FUTURE OF NATURE-BASED SOLUTIONS

This project has been funded by the European Union’s Horizon 2020 research and innovation programme under grant agreement No. 730243

Our course explores nature-based solutions in cities in Europe and around the world. We connect together the key themes of nature, cities and innovation. We provide the knowledge and tools to better understand and assess the potential of nature-based solutions.
