

GROWING EFFECTIVE GOVERNANCE SOLUTIONS

URBAN NATURE – BRINGING TOGETHER KEY ACTORS AND AGENDAS FOR NATURE-BASED SOLUTIONS

This project has been funded by the European Union's Horizon 2020 research and innovation programme under grant agreement No. 730243

GOVERNING NATURE-BASED SOLUTIONS DEPENDS ON USING EMERGING OPPORTUNITIES, WORKING WITH INTERMEDIARY ORGANISATIONS AND CHAMPIONS, AS WELL AS MAKING THE BENEFITS OF NATURE-BASED SOLUTIONS FOR A RANGE OF PEOPLE AND ORGANISATIONS VISIBLE AND VALUED

This project has been funded by the European Union's Horizon 2020 research and innovation programme under grant agreement No. 730243

Our research shows that there is no “one-size fits all” governance approach for nature-based solutions, as many approaches have been proven effective in different contexts. The *Effective Governance Solutions* guide highlights bridging the opportunity gap, trying different governance approaches and developing strong roots.
